This sheet to be retained by the new member

Barton & District Athletic Club provides coaching and competition in the following disciplines- Track & Field Athletics, Sports Hall Athletics, Cross Country Running, Road Running and Race Walking. If the need arises Fell Running will be added to this list.

The club currently competes in The Humberside Track & Field League and the Lincolnshire Track & Field League. The club pays some of the entry fee for the Humberside League, which is currently £3 per athlete per meeting, whilst athletes pay the entry fee for the Lincolnshire League -which is collected at the gate for each meeting and is currently of the order of £1 per meeting. Athletes may wish to enter Open meetings and/or Championships in all disciplines. It is the athletes responsibility to pay the entry fees for these meetings either directly, or through the club - from time to time the club enters athletes for Regional and National Championships and bears the cost of the entry. It is usual for the club to bear the cost of relay entries at Open meetings and Championships.

The club affiliates to England Athletic Ltd and through them to UK Athletics Ltd. All athletic clubs have to pay over to England Athletic Ltd, in addition to an annual affiliation fee, £3 per competing athlete over the age of 11. This is to provide each athlete with a competition licence. It is expected that licences will be issued from September 2007. The element for competition licences will rise to £5 per competing athlete over the age of 11 in 2008.

The club welcomes individuals who are prepared to assist with coaching, officiating or other duties and is prepared to assist with the cost of appropriate course fees. At the present time the club has officials who regularly officiate at all levels including internationals.
